Scott Marshall, Sheriff  
Colusa County  
929 Bridge St.  
Colusa, CA 95932

RE: GCA - 08

Dear Sheriff Marshall:

Please accept this letter from the BlueRibbon Coalition, a national trail group, as indication of our strong support for your 2008 Law Enforcement Grant.

BRC has reviewed this grant and believes it is well within the scope of, or commensurate to, what other counties have submitted with similar legal OHV opportunities and patrol areas.

BRC believes the Sheriff's Office has developed and implemented a holistic approach to law enforcement. This includes cooperation with federal land agencies, working with users, and enforcing OHV laws. They also are often the first responder to injured or lost OHV recreationists and I have personally witnessed those rescue efforts (often in the middle of the night) on numerous occasions while camping on the Mendocino NF.

BRC thanks the Sheriff's Office for their service to the recreation public and also for the opportunity to comment.

Sincerely,

Don Amador
